This is a unique opportunity to receive training covering the major changes in the National Electrical Code that will appear in the 2008 edition of the code. There were 3,688 Proposals and 2,349 comments processed in updating the NEC. The 2008 NEC includes changes intended to make the Code easier to use. Keeping up with the changes is a challenging task.

Instructors:

Monte Ewing
Joe Hertel,

Certificates for 8 hours of continuing education will be provided by IAEI and State of Wisconsin

Mark your calendar and return the registration form with payment to:
